

Search Engine Optimisation

Objective - Improve organic visibility, keyword rankings, and CTR through strategic on-page SEO optimisation.

Key Optimisations Implemented -

- Optimised **title tags** and **meta descriptions** with high-intent keywords to improve rankings and CTR
- Structured content using proper **H1, H2, and H3** hierarchy for better crawlability and relevance
- Implemented image SEO best practices, including keyword-rich **alt text** and **optimised file names**
- Created SEO-friendly URLs with a clean, keyword-focused structure
- Integrated **primary and secondary keywords** strategically across page content
- Strengthened **internal linking** to improve site architecture and crawl depth
- Renamed image files using descriptive, keyword-focused naming conventions. Example - **dessert-franchise-frozen-bottle-india.jpg instead of IMG12.jpg**
- Applied essential technical on-page SEO improvements to enhance indexing and search performance

Search Engine Optimisation

Aug 2025

Jan 2026

Aug 2025

Jan 2026

Objective - Strengthen domain authority, improve search engine rankings, and increase organic visibility through strategic off-page SEO and link-building activities.

Key Off-Page SEO Activities Implemented -

- Created **200+** high-quality profile backlinks on authoritative business and niche-relevant platforms
- Executed image submissions with keyword-optimised alt text and landing page links to improve link diversity and visibility
- Built contextual backlinks through Quora and Reddit answers, driving both referral traffic and authority signals
- Published content on Web 2.0 platforms (Medium, WordPress, Blogger, etc.) to create relevant, contextual backlinks
- Performed blog submissions and content placements to strengthen topical authority and link profile
- Implemented consistent local citations and directory submissions to improve local SEO signals and brand credibility.

Results (Aug 2025 – Feb 2026) -

- Increased total backlinks from **72 to 1,041 (+1,345%)** in 6 months
- Grew referring domains from **58 to 123 (+112%)**
- Significantly improved domain authority and link profile strength
- Enhanced overall search engine trust, crawl frequency, and organic ranking potential

Objective - Improve website crawlability, indexability, site performance, and overall technical health to enhance organic search visibility and user experience.

Key Technical SEO Optimisations Implemented -

- Conducted a comprehensive technical SEO audit using SEMrush and Google Search Console to identify and resolve critical issues
- Fixed crawl errors, broken links (404), and redirect issues (301/302) to improve crawl efficiency
- Optimised and submitted XML sitemap to Google Search Console, ensuring faster and accurate page indexing
- Implemented and optimised robots.txt file to guide search engine crawlers and prevent unnecessary crawling
- Improved website loading speed by optimising images, reducing page size, and improving Core Web Vitals performance
- Identified and resolved indexing issues, ensuring important pages were properly indexed by search engines
- Monitored and improved Core Web Vitals (LCP, CLS, INP) to enhance user experience and ranking signals

Search Engine Optimisation

From Kongsi Tea Bar - Authentic Thai Bub...

"Kongsi Tea Bar is India's 1st and only authentic Thai bubble tea brand, bringing the original flavours of Thailand to your glass. Kongsi Tea Bar in Koramangala serves authentic Thai bubble tea brewed fresh using real tea leaves, with a strong focus on quality, consistency, and traditional brewing methods. The Koramangala outlet offers a refined beverage experience for customers who enjoy thoughtfully crafted drinks inspired by Thai flavours. Every drink is prepared daily using premium ingredients, with a menu that includes popular milk tea options, refreshing fruit tea selections, and matcha bubble tea options created for those who prefer rich and balanced profiles. Visit our Koramangala store to enjoy freshly brewed beverages."

Local SEO Optimisation - Kongsi Tea Bar (Google Business Profile)

Objective - Improve local search visibility, Google Maps rankings, and store discovery through comprehensive Google Business Profile (GBP) optimisation across all locations.

Key Local SEO Optimisations Implemented -

- Optimised **Primary and Secondary** Categories across all stores (Bubble Tea Store, Cafe, Coffee Shop) to improve local ranking relevance
- Created and implemented **SEO-optimised business descriptions** with targeted local and brand keywords
- Added and optimized **products section with keyword-focused** product listings to improve conversion and visibility
- Uploaded **menu images, product images, and store photos**, improving profile engagement and visual relevance
- Published **Google Business Posts with CTA and landing page links**, increasing user engagement and discovery signals
- Configured accurate business attributes, including **service options, accessibility, and parking**, to enhance profile completeness
- Implemented **local content and image strategy** to strengthen profile freshness and ranking signals
- Established review management strategy, including review collection and response workflow
- Maintained **Google Business Profile stability** by avoiding frequent edits, improving trust and ranking consistency
- Set up weekly performance tracking to monitor profile visibility, engagement, and discovery trends

Generative Engine Optimisation

boba tea franchise

AI ModeAllShoppingImagesShort videosVideosForums

Results for Bengaluru, Karnataka 560008

AI Overview

A boba tea franchise in India requires an investment of roughly ₹15–₹40 lakhs, with top brands like Kongsí Tea Bar, Boba Bar, Easy Boba, and Dr Bubbles offering models including equipment, training, and support. Key requirements include a 150–250 sq. ft. area in high-footfall locations (malls, IT parks), with ROI typically achieved within 15–18 months.

bubble tea franchise

Open nowTop rated

Results for Bengaluru, Karnataka 560008

AI Overview

Bubble tea franchises, such as Kongsí Tea Bar, Boba Bar, and Gong cha, offer high-growth F&B business opportunities in India, typically requiring an investment of ₹20–50 lakhs. These partnerships provide established brands, operational support, and, for brands like Gong cha, flexible, non-grease-trap store formats.

Key Bubble Tea Franchise Opportunities

- Kongsí Tea Bar:** A Thai-based brand with a franchise fee of ₹5 lakhs, roughly ₹20–25 lakhs overall investment, and an expected ROI of 15–18 months.

cafe franchise in india
